

Moose Lodge To Open New Member Drive

Service to the family will be the theme of a new membership enrollment campaign inaugurated by the 1700 lodges of the Loyal Order of Moose at its recent international convention at Miami, Fla., according to an announcement released this week by Daniel Desmond, governor of the Torrance Moose Lodge.

"The days when the Moose fraternity was just a place where men met socially and enjoyed good times together is a thing of the past," continued Desmond's Mooseheart report.

"Today," the report revealed, "all that has changed. The Moose fraternity in truth represents the fulfillment of the modern idea in fraternalism—a fraternalism that serves its members, their families and their communities in scores of ways, making life a richer, happier experience for everyone."

Officers of the Torrance lodge will meet next week to discuss a projected program of putting their manpower leadership into the basic civic forces of the community, primarily in the field of youth activity. Membership chairman Harry Green and his assistance, Gordon Jones, are expected to stress the varied program of events set up for the entertainment, education and good-fellowship of the member's entire family, his friends and relatives.

Driving Rights Taken From 8

Residents of Los Angeles County who had their drivers licenses revoked or suspended during the period Sept. 21-25 included eight from Torrance and vicinity.

They were Raymond Davis, 525 W. 256th St., Harbor City; Clethrie Danury, 2310 Pacific Coast Hwy., Lomita; Bill Maxwell, Jr., 1545 W. 204th St., Jean Purdy, 21236 Archibald Ave., and Frank Sanchez, 20714 New Hampshire Ave., all suspended following an accident for failure to meet the requirements of the financial responsibility law.

Also Charles Furguel, 2461 W. 248th St., revoked on a vehicle theft charge; Edward Gueff, 1746 W. 262nd St., Lomita, revoked on a third drunk driving charge; and Everett Williams, 24233 Los Codona Ave., order of probation arising from bad driving record.

Convicted of a traffic violation recommended by the court was Eugene Trotter, 21318 S. Western Ave.

Licenses have been reinstated to Pascual Tapia, 3420 Emerald St., Nancy Cunningham, 1011 W. 223rd St., John Fournier, 2268 Dominguez St.

BODY BUILDERS

Eggs are good as body builders, since they are rich in vitamin A.

WE ARE MOVING OUT

A stock of 50 late model used cars at prices that are ridiculous. We just closed on Sept. 30 a very successful new car sales contest and sold more new cars than any dealer in the South Bay district has ever sold in a like period.

To do this we had to take in trade more used cars than we have room for, so now we must reduce this stock substantially at once. We would naturally rather let the buying public have the benefit of the tremendous savings on these cars than to sell them to the used car dealer and let him make a profit on you. But they must be disposed of fast, so come in immediately while the selection is complete.

Almost every make of car is in this stock, including a 1953 Mercury convertible, 1951 Ford Country Squire, 1951 Dodge sedan and cars of all makes. We want to be considerate of the local dealers handling these various makes, so will not price them publicly. But come in, we'll tell you. But hurry.
